We will provide answers directly to the

Shareholder who asked the question. For shareholders attending in person, questions can be put to the Directors in attendance on the day.

### Resolutions

This year, Shareholders will be asked to approve 13 resolutions. Resolutions 1 to 11 are proposed as ordinary resolutions. This means that, for each of those resolutions to be passed, more than 50 per cent of the votes cast must be in favour of the resolution. Resolutions 12 to 13 are proposed as special resolutions. This means that, for each of those resolutions to be passed, at least 75 per cent of the votes cast must be in favour of each resolution.

#### Resolution 1: Annual Report and Accounts

The Directors must present the Company's Annual Report and Accounts, Strategic Report and Directors' and Auditor's reports to Shareholders at a General Meeting. Those to be presented at the AGM are in respect of the year ended 31 December 2021, and are called the Annual Report 2021.

The Annual Report 2021 is available on the Company's website ([www.flowtechfluidpower.com](http://www.flowtechfluidpower.com)). If you have elected to receive correspondence in hard copy, then a copy of the Annual Report 2021 will accompany this document.

#### Resolution 2: Final dividend

The Directors are recommending a final dividend for the year ended 31 December 2021 of 2.0 pence per ordinary share. If approved, the final dividend will be paid on 22 July 2022 to shareholders whose names appear on the register at the close of business on 1 July 2022 with an ex-dividend date of 30 June 2022.

#### Resolutions 3 to 8: reappointment of Directors

As detailed in the Company's announcement on 7 September 2021, Non-Executive Director, Paul Gedman stood down from the Board with effect from the end of November 2021. We would like to thank him for his overall contribution in particular to the development of our E-business platform. We wish him well with his new executive role.

Ailsa G Webb was appointed by the Board as a Non-Executive Director on 8 March 2022. Ailsa has held a number of lead operational management roles including at TNT, Brammer Buck and Hickman. She was Managing Director for HSS Hire Services, Scotland since 2019. In early 2021, she took over as Managing Director for ABird and Apex Power Solutions, two service business parts of HSS Group. Ailsa has a deep understanding of the industrials distribution sector, including within ecommerce where she has a wealth of digital transformation expertise driving revenue growth through e-commerce strategies. Resolution 3 proposes to reappoint Ailsa G Webb as a Director, as she was appointed as a new Director since the last Annual General Meeting.

Jamie Brooke was appointed by the Board as a Non-Executive Director on 8 March 2022. Jamie has had successful roles in listed and private equity fund management, originally starting out with 3i plc. Over his 30-year career, having sat on 20 different boards, he has focused on driving shareholder value and has gained experience covering fund management and investing, strategy and governance, M&A, audit and consultancy. Resolution 4 proposes to reappoint Jamie Brooke as a Director, as he was appointed as a new Director since the last Annual General Meeting.

As with the 2021 Annual General Meeting of the Company and in accordance with the principles of the QCA Corporate Governance Code ('Code'), all the other Directors will stand for re-election at the AGM. Accordingly, as part of the ordinary business at the meeting, resolutions 5 to 8 inclusive are to re-appoint all the other Directors of the Company.

Biographies in respect of Bryce Brooks, Russell Cash, Nigel Richens, Ailsa Webb, Jamie Brooke and Roger McDowell are set out on pages 38-40 of the Annual Report 2021.

### Resolutions 9 and 10: reappointment and remuneration of auditors

The Company is required to appoint Auditors at each General Meeting at which its Annual Report and Accounts are presented to Shareholders. Therefore, resolution 9 proposes the reappointment of Grant Thornton UK LLP as Auditors (to hold office until the next such meeting), and, in accordance with normal practice, resolution 10 authorises the Directors to determine the Auditors' remuneration.

### Resolution 11: authority to allot shares

Generally, the Directors may only allot shares in the Company (or grant rights to subscribe for, or to convert any security into, shares in the Company) if they have been authorised to do so by Shareholders. Resolution 11 renews a similar authority given at last year's Annual General Meeting:

In line with guidance issued by the Investment Association (previously known as the Investment Management Association), if passed, part 11.1 of resolution 11 will authorise the Directors to allot shares in the Company (and to grant rights to subscribe for, or to convert any security into, shares in the Company) up to an aggregate nominal amount of £10,248,778. This amount represents approximately one third of the issued ordinary share capital of the Company as at 9 March 2022, being the last practicable date before the publication of this document.

In addition, if passed, part 11.2 of resolution 11 will authorise the Directors to allot ordinary shares in the Company (and to grant rights to subscribe for, or to convert any security into, ordinary shares in the Company) in connection with a rights issue only up to a further aggregate nominal amount of £10,248,778. This amount represents approximately one third of the issued ordinary share capital of the Company as at 9 March 2022, being the last practicable date before the publication of this document.

If given, these authorities will expire at the conclusion of the Company's next AGM or on 1 September 2023 (whichever is the earlier). It is the Directors' intention to renew the allotment authority each year. As at the date of this document, no shares are held by the Company in treasury. The Directors have no current intention to exercise either of the authorities sought under resolution 11. However, the Directors consider that it is in the best interests of the Company to have the authorities available so that they have the maximum flexibility permitted by institutional Shareholder guidelines to allot shares or grant rights without the need for a general meeting should they determine that it is appropriate to do so to respond to market developments or to take advantage of business opportunities as they arise.

### Resolution 12: disapplication of pre-emption rights

Generally, if the Directors wish to allot new shares or other equity securities (within the meaning of section 560 of the Act) for cash, then under the Act they must first offer such shares or securities to Shareholders in proportion to their existing holdings. These statutory pre-emption rights may be disapplied by Shareholders.

Resolution 12, which will be proposed as a special resolution, renews a similar power given at last year's AGM and, if passed, will enable the Directors to allot equity securities for cash without having to comply with statutory pre-emption rights, but this power will be limited to allotments:

a) up to an aggregate nominal amount of (i) £20,497,557 in connection with a rights issue or (ii) £10,248,778 in connection with an open offer or other pre-emptive offer, in each case to ordinary Shareholders and to holders of other equity securities (if required by the rights of those securities or the Directors otherwise consider necessary), but (in accordance with normal practice) subject to such exclusions or other arrangements, such as for fractional entitlements and overseas Shareholders, as the Directors consider necessary; and

b) in any other case, up to an aggregate nominal amount of £3,074,663 (which represents approximately 10 per cent of the issued ordinary share capital of the Company as at 9 March 2022, being the last practicable date before the publication of this document). If given, this power will expire at the conclusion of the Company's next AGM or on 1 September 2023 (whichever is the earlier). It is the Directors' intention to renew this power each year.

The Directors intend to follow the provisions in the 2015 Statement of Principles issued by the Pre-Emption Group regarding cumulative usage of authorities within a rolling three-year period. The Principles provide that a company should not issue shares representing more than 7.5 per cent of its issued ordinary share capital for cash in any rolling three-year period, other than on a pre-emptive basis, without prior consultation with shareholders. If given, this power will expire at the conclusion of the Company's next AGM or on 1 September 2023 (whichever is the earlier). It is the Directors' intention to renew this power each year.

### Resolution 13: purchase by the Company of its own shares

Resolution 13 will be proposed as a special resolution. If passed, it will allow the Company to purchase up to 6,149,267 ordinary shares in the market (which represents approximately 10 per cent of the issued ordinary share capital of the Company as at 9 March 2022, being the last practicable date before the publication of this document). The minimum and maximum prices for such a purchase are set out in the resolution. If given, this authority will expire at the conclusion of the Company's next AGM or on 1 September 2023 (whichever is the earlier). It is the Directors' intention to renew this authority each year.

The Directors have no current intention to exercise the authority sought under resolution 13 to make market purchases, but consider the authority desirable to provide maximum flexibility in the management of the Company's capital base. If passed, the Directors will only exercise this authority if they believe that to do so would result in an increase in earnings per share and would be in the best interests of the Company and of its Shareholders generally.

The Company is permitted to hold shares it has purchased in treasury, as an alternative to cancelling them. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy options exercised under the Company's share schemes. While held in treasury, the shares are not entitled to receive any dividend or dividend equivalent (apart from any issue of bonus shares) and have no voting rights. The Directors believe that it is appropriate for the Company to have the option to hold its own shares in treasury if, at a future date, the Directors exercise this authority, in order to provide the Company with additional flexibility in the management of its capital base. However, the Directors currently intend to cancel any shares purchased under this authority. The Directors will have regard to institutional Shareholder guidelines which may be in force at the time of any such purchase, holding or resale of shares held in treasury.

### **Recommendation**

The Directors consider that all the resolutions set out in the Notice are in the best interests of the Company and its Shareholders as a whole. The Directors will be voting in favour of them, and unanimously recommend that you do so as well.

### **Action to be taken**

As further detailed above, we have not included a hard copy form of proxy as we encourage you to appoint a proxy electronically using the link [www.signalshares.com](http://www.signalshares.com). You will need to log into your Signal Shares account, or register if you have not previously done so, to register you will need your Investor Code, this is detailed on your share certificate or available from our Registrar, Link Group. Shareholders may also access the shareholder app: LinkVote+. This letter does not contain the full details of the resolutions to be tabled at the meeting, and these are contained in the Notice of the meeting and should be read before you complete your vote. Yours sincerely

**Roger McDowell**

## Notes

### **Entitlement to attend and vote**

1. The right to vote at the AGM is determined by reference to the register of members. Only those Shareholders registered in the register of members of the Company as at close of business on 30 May 2022 (or, if the AGM is adjourned, close of business on the date which is two days before the date of the adjourned meeting) shall be entitled to attend and vote at the AGM in respect of the number of shares registered in their name at that time. Changes to entries in the register of members after that time shall be disregarded in determining the rights of any person to attend or vote (and the number of votes they may cast) at the AGM.

### **Proxies**

2. A Shareholder is entitled to appoint another person as his or her proxy to exercise all or any of his or her rights to attend and to speak and vote at the AGM. A proxy need not be a Shareholder of the Company.

A Shareholder may appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that Shareholder. Failure to specify the number of shares each proxy appointment relates to or specifying a number which when taken together with the numbers of shares set out in the other proxy appointments is in excess of the number of shares held by the Shareholder may result in the proxy appointment being invalid.

A proxy may only be appointed in accordance with the procedures set out in notes 3 to 4 below and the notes to the proxy form. The appointment of a proxy will not preclude a Shareholder from attending and voting in person at the AGM.

3. As in the past, we have not included a hard copy form of proxy and encourage all Shareholders to appoint their proxy electronically using the link [www.signalshares.com](http://www.signalshares.com). You will need to log into your Signal Shares account, or register if you have not previously done so, to register you will need your Investor Code, this is detailed on your share certificate or available from our Registrar, Link Group. Shareholders may also access the shareholder app: LinkVote+. All votes must be received no later than 10am on 30 May 2022.

For anyone still preferring a paper vote, you may request a generic hard copy form of proxy directly via Link Group on the number below. When appointing more than one proxy, complete a separate proxy form in relation to each appointment. Alternatively, you may photocopy this form of proxy as required. State clearly on each proxy form the number of shares in relation to which the proxy is appointed. As above, Shareholders are advised to appoint the Chair of the meeting as their proxy for all the shares they hold, as any other person appointed as a proxy will not be permitted to attend the meeting.

To be valid, a proxy form must be received by post or (during normal business hours only) by hand at the offices of the Company's Registrar, Link Group at FREEPOST PXS, Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds LS1 4DL no later than 10am on 30 May 2022 (or, if the meeting is adjourned, no later than 48 hours before the time of any adjourned meeting).

If you require assistance while registering your email address, please telephone Link Group on Tel: 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 and 17:30, Monday to Friday excluding public holidays in England and Wales; Email: [shareholderenquiries@linkgroup.co.uk](mailto:shareholderenquiries@linkgroup.co.uk)

4. CREST members who wish to appoint a proxy or proxies for the meeting (or any adjournment of it) through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Link Group (ID RA10) no later than 10am on 30 May 2021 (or, if the meeting is adjourned, no later than 48 hours before the time of any adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Link Group is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
